

Would you like to join our team....

An exciting opportunity has arisen for an **Experienced Practice Accountant** to join our Team.

Stopfords are one of the leading Accountancy practices in Mansfield serving clients across the East Midlands. Our team comprises of high-quality individuals who work hard to meet our client's needs whilst being part of a friendly and supportive group of professionals. If you are a diligent Accountant who is motivated to provide the highest quality of service and are looking for your next career step, we want to hear from you!

The role would enable you to work alongside a strong Senior Accountancy Team, who would support your professional development and progression. You will have a high degree of autonomy with support and coaching where required, developing a portfolio of clients that you will work closely with to meet their business needs.

The role would ideally suit an individual who has at least 4 years' experience working within practice.

Your key responsibilities will include:-

- Preparation of accounts for sole traders, partnerships and limited companies,
- Assisting on audits,
- Preparation of draft corporate tax computations,
- Preparation of management accounts,
- Prioritising workload effectively to meet set deadlines,
- Working with varying software packages including Sage, Xero & Quickbooks,
- Able to carry out ad-hoc assignments, as required.

You should have excellent written and verbal communication skills, be confident in a client facing role and be motivated to provide the highest quality of service to our clients whilst being a strong team player.

Why choose Stopfords?

- A working environment that empowers you to work at your best through the opportunity of hybrid working.
- Competitive salary.
- Bonus Referral Scheme for the introduction of new clients so when we benefit, you do too!
- Regular team social events.
- Free on-site parking.
- Within walking distance to local transport links.
